OHIO HIGH SCHOOL BASEBALL COACHES ASSOCIATION

Dear OHSBCA Members,

Welcome to the **67th annual OHSBCA State Clinic, January 18th, 19th and 20th of 2018**. You are a member of the 2nd largest coaches associations in the United States. Many high school coaches and college speakers have said that this is one of the best clinics in the nation. I am hoping that you are able to take something from this year's clinic and go back to your school to make the young men in your program better this coming year and for future players as well.

With my involvement on this board for the past 5 years, I have seen the giant steps forward the association has made. It is my honor to give back as Director of the 2018 State Clinic. This venue at the Hyatt Regency and Columbus Convention Center is just one example of what a first class operation we all are here to witness. If there is anything that any of our 24 board members or the Hyatt personnel can do to make your experience more enjoyable, please let us know. Your board is committed to making this a most enjoyable and rewarding experience, and represents you throughout the entire year.

We have the opportunity to recognize and honor three (3) of our own with their induction into our OHSBCA Hall of Fame this weekend: I truly hope that you take the opportunity to attend our banquet on Friday noon in the Ballroom to honor these three great men who have given so much to their schools, community and our association. There are also many other awards given to your peers and scholarships to the children of our members; you should not miss this banquet. I have taken great pride in putting together a great lineup of clinic speakers who have a variety of messages that will help you to get back into "baseball mode" as we get closer to our seasons approaching. We continue to learn and seek out information and I feel that this year's speakers will truly help all of us grow our players and build a stronger program. The list of speakers for this year include:

Turtle Thomas – Texas Rangers

Greg Beals – The Ohio State University

Cory Mee – University of Toledo

Kyle Hallock – Malone University

Tim Belcher – Cleveland Indians

Jim Puhalla – Natural Grass

Kris Knapp – Ontario HS, Trainer

Welcome from OHSBCA President, Tom Neubert

Welcome to the 2018 Ohio High School Baseball Coaches Association Coaches Clinic. It is truly an honor to serve as President of one of the top baseball coaches associations in the country. While being involved with this organization, I have increased my knowledge of the game of baseball as well as met so many new friends. The amazing coaches that I have had a chance to meet and listen to have helped me grow as a person and a coach. The best part of this journey has been meeting such great friends associated with the game of baseball. I would never have had this opportunity without the help of my two friends Scott Manahan (Bishop Watterson) and Ray Benjamin (St. Charles) who pushed me to get involved. This year Rob Lavengood has done a fantastic job putting together your clinic and Craig Kyle has worked hard lining up vendors for the exhibit hall. Special thank you to all of our Executive Board and the district reps for not only your hard work, but for your professionalism. The Board has made my time as president go very smoothly. Please, when you get a chance, thank them for their dedication and work put in throughout the entire year. Lastly, I want to thank our host, The Hyatt Regency, and all of our sponsors who make it possible for us to put on a first-class clinic. Please enjoy the weekend; I hope you continue learning about this great game of baseball and use your increased knowledge within your programs to keep Ohio high school baseball great! Good luck to all of you this upcoming spring.

Mike Wiss – Minster High School

Mike Wiss graduated from Minster High School in 1989 and went on to earn his Bachelor's Degree in Elementary Education at the University of Dayton in 1994. He later earned his Master's Degree in Educational Administration from the University of Dayton in 1998.

Coach Wiss began his coaching career after accepting a teaching position at Minster Schools in 1994. He began teaching 5th/6th Social Studies and after one (1) year moved to 7th/8th Grade Social Studies, the position he still holds today. The first year of teaching proved very busy as he also accepted coaching positions in football, basketball and baseball. His football tenure lasted 22 years at JH/HS levels (1994-2015), basketball for 3 years of freshman boys (1994-96) and 21 years with HS girls (1997-present) as well as 24 years of varsity baseball (1995-present).

The spring of 2018 marks Coach Wiss's 24th season at the helm of Minster Baseball, where he has amassed a record of 409-188. His teams have won 18 sectional titles and 7 district titles (along with 3 runners-up). The Wildcats have made 7 trips to the regional tournament (4 titles, 1 runner-up), under his leadership, and won 3 state titles (2011, '12, '17, along with 1 runner-up in 2003). Wiss's teams have claimed 1 State Poll Championships (2007), 1 runner-up (2013) and have finished in the Top Ten in the State Coaches Poll a total of 5 times. He has 3 conference championships (Midwest Athletic Conference) and has reached the twenty victory plateau 7 times. He has coached 23 All-Ohio Players (11 of which earned First Team Honors) and has coached 19 players who have gone on to play in college. Mike was voted Div. IV Coach of the Year in 2007. He has been a member of the OHSBCA now for 24 years and has been a state poll voter for 10 years. Mike also served as assistant coach for St. Marys American Legion Post 323 for 6 years (1988-93) with record of 180-92 and earning 5 trips the American Legion State Tournament and head coach of Post 323 for 4 years (1994-97) with a record of 124-49 and 2 State Legion tournaments.

Lastly, Coach Wiss attributes much of the program's success to his assistant coaches. The time, dedication and diligence devoted to Minster Baseball by the many gentlemen that choose to help make Minster Baseball important is awesome. Baseball is now, as we all are aware, a year-round commitment in many ways. Having those individuals that are willing to help and that you, as the head coach, are comfortable with empowering them to teach and help lead your program, is huge. As our motto states each year -- "TEAM – With Your Heart" -- it's a blessing to have men that love the game to work with each day.

Mike has been married to his wife, Kelly, for 18 years. Kelly teaches 4th grade Language Arts also at Minster Schools. They have 4 children (Madison (16), Meghan (14), Andrew (10), Alli (3)).

Tim Saunders, long time Head Baseball Coach from Dublin Coffman High School, has been appointed Executive Director for the National High School Baseball Coaches Association (BCA). Saunders was officially named to this prestigious position on December 1st, 2017 during the BCA National Clinic in Tucson, Arizona.

Saunders will replace Ron Davini from Arizona who headed up the BCA for the past 12 years after he succeeded BCA founder Jerry Miles.

Saunders has been very involved in all facets of baseball in Central Ohio, the State of Ohio and Nationally. Tim served as the president of the Ohio High School Baseball Coaches Association in

1997 and was inducted in OHSBCA Hall of Fame in 2004. He also became the first Ohio High School Baseball Coach to be inducted into the National BCA Hall of Fame in 2011.

His field at Dublin Coffman has won numerous awards throughout the years including the National BCA Field of the Year in 1997.

In addition to all of the above stated involvement Tim has served as a coach for Team USA on numerous occasions.

The BCA is made up of coaches from every state in the union. The Association hosts an annual clinic the first week in December. Saunders was the driving force to bringing the BCA clinic to Columbus, Ohio in 2016 for the first time and it is scheduled to return to Columbus again in 2019. The 2018 clinic will be in St. Louis, Missouri.

Coach Saunders would like every Ohio baseball coach, head or assistant, to check out the BCA on its website: www.baseballcoaches.org. Coach Saunders said, "Ohio has been a good supporter of the BCA in past years but now it is time to step on the gas and every one of our guys needs to get involved. Joining the BCA is an investment in your coaching career. Take advantage of the opportunities at the national level and the honors that the BCA brings to its' high school members."

Aggressive Baserunning

Slide One: **Baserunning**

Philosophy: Aggressive Baserunning is an ATTITUDE, it's simply HUSTLE! Every player has control of the INTENSITY with which he plays each day. Each pitch is an opportunity to advance a base.

- Mental aspect of players.
- 3 Goals

Slide Two: **Baserunning Begins in the Dugout**

Scouting Reports
Pre Game Infield (Use Stopwatch on OF-Catchers, 1B Arm)
Between Inning Warm Ups
On Deck Circle- Check Defensive Positioning
Coaches Know each of your players running time between bases.

Slide Three: **Absolutes at All Bases: Before Stepping Off Base**

Know Game Situation: Number of Outs, Inning, Score.
Get sign from coach and lead runner.
Check Defensive Positioning
Know where ball is.
Make Pitcher Engage Rubber.

Slide Four: **From First Base to Second Base**

Lead at 1B (Paint 13' mark in grass)
- Primary Lead- 13' Right foot to 13' mark, extend to 15'.
Time pitchers pick off move to 1B- RHP 1.0 sec is average.
Time pitchers delivery to H.P.
RHP – FB 1.25 sec and above, CB 1.4 sec and above
LHP – Three timed releases: pick of foot, balance, gate opens.

Slide Five: **Focal Points For Stealing**

A ball in glove or pitchers hand in the stretch.
- RHP: Heels, Shoulder, Front Elbow, Rhythm.
- LHP: Head, Knee, Foot, Back Elbow, Shoulder, Hand Break, Rhythm.
Pick up signs from catcher – run off-speed.
STEALING mechanics – feet in motion at all times.
Secondary Leads – cross over, shuffle, shuffle- 18'-19' from 1B.
- Bounce Reads- Read trajectory of ball.
- Fake Steals
- Tagging on fly balls

Slide Six: **From Second Base to Third Base**

Leads at 2B (Paint 18'-27' mark)
Primary Leads – 18'-21' Right foot at mark.
- Time pitcher delivery to H.P. Need 1.4 and above. LHP slower.
- Goal: Expand primary lead to 27' using two shuffles, steal, keep eye on the pitcher.
- Coaches Terminology – OK, careful, hold, back, 1, 2.

Slide Seven: **From Second Base to Third Base**

Focal Points
- Pitchers head turn.
- Pitchers feet, shoulders.
- Coach – Positioning of middle infielder (Beware of spin move, pick off).
- LHH or RHH in the batters box.
Secondary Lead- 29'- 30'
- Bounce Reads – Lower the pitch in stride zone, more runner leans to 3B.
- Fake Steal.
- Tagging on fly balls.
- Advancing to 3B on ground balls.
- Double Steal – players relay signs.

Slide Three: **Sacrifice Bunts**

Slide Four: **Push/Drag Bunt**

Push/Drag-Perfect or Foul-NOT Part of our push/drag philosophy-Bunters try to be Too fine-Too perfect

1. RHH
2. LHH
3. Advantageous counts for push/drag
 - a. 0-0
 - b. 1-0
 - c. 2-0
 - d. 3-1
4. We practice push/drag in only a FB mode. We take all off speed in Push/drag for base hit mode. Push/drag must have the same mental preparation as does hitting. We look for FB in areas of the plate that are advantageous for us to have success in our push/drag attempt.

Slide Five: **Push/Drag Bunts Video**

Slide Six: **Man at First No Outs Video**

Slide Seven: **Man at First Base, No Outs**

C. Run and Bunt

D. Slash

- Show Early
- Options:
 - A. SAC
 - B. Strikes only, runner see's ball in play
 - C. Hit and Run

E. H&R or Run & Hit option based on count (0-0, 1-0, 2-0, 2-1, etc.)

- Great time to change from bunt, to run and hit, or hit and run following a first pitch ball in a bunting situation.

Slide Ten: **Man at First Base and Second, No Outs Video**

Slide Eleven: **First and Third Less Than Two Outs Video**

Slide Twelve: **First and Third Less Than Two Outs**

Safety Squeeze to First Base

- How to defend it?
- With no outs – push/drag (70% for hit, 30% safety)
- With one out – 100% safety in a hurry zone

Fake Squeeze/Steal

Double Steal (Cheat a little on release from catcher)

Double Steal STOP

- In rundown between 1B-2B, try to get 1B to chase, just before tag, drop and roll.

Picked at First (LHP)-Is 1B LH or RH? Can he throw?

Picked at First/Steal HP-2 Outs

“ICED: The Illusionary Treatment Option”
(Union DE)

Hello All, I decided to send a group email because I wanted to thank everyone at the same time. During the past six years, you invited me into your training rooms and allowed me to explain the "whats' and "whys" of my product and now most "teams"* have at least a dozen MARC PRO units (several teams have more than 20 units) and that's not including the scores of players that own their units. Even though pitchers are not the only players using MARC PRO, their use is clearly where this paradigm shift began. This past season marked a high point in that category of use, as more than 200 MLB pitchers used MARC PRO to help prevent injuries and facilitate recovery (150+ "regular" users and 50+ "as needed" users). For the record, I didn't get those numbers via wishful thinking, I did so by asking the head trainers from all 30 MLB teams to respond to a survey.

NOTE: I had a 100% response ... meaning every team answered my email. Thank you.

2017 ASSISTANT COACH OF THE YEAR AWARDS

CENTRAL - Todd Wilcox (Marysville High School)

Todd is entering his 14th year with the Marysville Baseball Program. During his tenure as pitching coach, the staff achieved a team record 1.30 earned run average in 2017. Justin's hard work, dedication and love for the game of baseball has helped Steubenville Big Red compile a 208-66 record over a 10 year span. His relentless work as infield and hitting coach has also led Big Red to back to back State Final 4 appearances. Steubenville High School and Big Red baseball are very fortunate to have Justin on their coaching staff.

NORTHEAST - Tom Hogan (John Hay High School)

Coach Hogan has been part of starting two different baseball programs while teaching at Rhodes High School. After transitioning to John Hay High School as an assistant coach, his passion for baseball continued. The John Hay baseball program has excelled under his leadership while guiding them to multiple playoff appearances and, most recently, John Hay's first ever appearance in the city championship. Coach Hogan assists with future scheduling and ordering equipment. He has made it possible to ensure that there are enough uniforms and equipment for several years after he exits the program.

Our players gravitate to his personality and his ability to communicate the messages that we deem to be important. Shane is able to manage his family and work schedule as a shift worker and still finds time to give back to the student-athletes in our program despite minimal sleep. These sacrifices do not go unnoticed and his passion for our program is felt 365 day a year.

2017 Season Highlights

Winning a state title is a bucket list moment for any coach! One I wish every coach could experience in their career. I was truly blessed and honored to have the opportunity to coach such a fine group of young men. These young men were aware of the expectations that had been placed upon them, from a preseason article in the local paper talking about their window closing, to everyone in the community telling them this was their year. Such expectations could have derailed some teams but from day one of conditioning this team didn't just wear words like integrity, attitude, selflessness, accountability, never quit, on t-shirts: they put into practice every day! The outcome of one game would not change what this team had accomplished; they were champions in my eyes! But like our motto said "Why not us" and #finishit and they did! I would like to thank them for the way they represented their community, their school, their parents, coaches and certainly themselves! Seniors: Lucas Nasonti (YSU), Kyle Forrest (USAF), Michael Turner(KSU), Aaron Williams (KCU), William Kovach, Justin Taninecze, Logan Brown, Juniors: Drake Batcho (UC), AJ Meyer (uncommitted), Justin Ellsworth (uncommitted), Nathan Russell, Noah Gradishar (uncommitted), Sophomore: Andrew Russell (OU), Nolan Yartz (uncommitted), Freshman: Abe Bayus.

I also must thank and recognize my two assistant coaches, without their hard work and dedication this would not have been possible. Tim Calhoun and Patrick Rhodes
And to my wife, who supports me throughout and was always there to help, thank you and I love you!

Highlights

Minster Baseball has a wristband that the team wears (TEAM – 'With Your Heart'). To many, the word TEAM means the traditional Together Everyone Achieves More. We at Minster have changed that a little – 'Together Excellence, Apart Mediocrity'. We preach the importance of the TEAM concept, being accountable for your actions (to self, team, community) and being dedicated to baseball for '2 hours a day'. And that 2 hours needs to be an enjoyable 2 hours where each of us gets better at our craft and develops a true love for the game.

It takes talent and some good fortune along the way to be successful in this 'crazy' game. It takes some upperclassmen to accept the talents of some younger players into being a part of the program. It takes a group of young men to accept each other as individuals as well as good friends and teammates. It takes parents, players and coaches working together to raise a child and a team. Minster has been very fortunate in accomplishing these ideals. Our three (3) state baseball titles are part of our schools 31 state titles. We take pride in our school, community and athletics.

I realize awards like this end up in the head coach's hands, but honestly, and we all know this, we don't succeed without good people working with us every day. Some very special gentlemen, good friends, great coaches have been very integral parts of this award as well. From those that have helped during the season to those that help organize our summer ACME program, Minster has been blessed. We have honestly had such great consistency in coaching. The same people are at practice and games year in and year out. It is such an important part of learning the game when such continuity in coaching is present. This award goes to these guys as well.

OUTFIELD PLAY

THE UNGLORIFIED POSITION

Fly Ball

1. Glove foot forward leads to 3 Step vs 4 or 5 Step
2. Elbow in (thumb to pinky)

Ground Ball

1. Throwing foot forward leads to 4 Step vs 5 Step
2. Don't hop...be efficient

BE ON TIME & EFFICIENT MOVEMENTS/ANGLES

Foundation for being an ELITE defender

If you are late – you will catch less baseballs, most likely will not play and your pitchers will not be happy

If you are on time – you will steal away hits, most likely play more and your pitchers will be happy

*Very similar to hitting

For every wasted movement, the runner(s) are gaining 1-2 steps therefore it is imperative that we are efficient with our movements/angles

Most of these drills are GB/FB interchangeable. These are done without a baseball first. No baseball allows them to solely let their body take over. Most of these can be done side by side to be efficient and to maximize time. You can also go one at a time so players visually learn and be a better teammate by coaching each other (initiates communicating).

1. Pre-Steps – line up side to side, hands at waist vs out front...1, sit or 1,2, sit
2. Drop Step Angle Gap – NO wasted/negative movement, catch on the run
3. Drop Step Angle Gap – swivel your hips to work through the baseball
4. Drop Step Straight Back – can mix in putting head down
5. Snake – on the foul line, yard line on football field
6. Drop Step Straight Back – head snap
7. Line Drive Side to Side - *go one at a time and alternate or point the direction (like a LB coach)
8. Line Drive Forward Angled – **no wasted steps**
9. 4 Corners (10-15 yds) – Puts all the movements together, make sure they mimic the movement of catching the baseball\

*If they don't do it correctly without a baseball, they won't do it correctly with a baseball...stress the details!

PLAY FAST

We are the last line of defense, and by playing fast we will have the opportunity to steal away hits when other outfielders pull up

1. Bounce Drill – focus on swiveling hips, gaining momentum while ball is still in air
2. Around The World – quick twitch, proper angles, be athletic
3. 2 Ball – quick twitch, proper angles, competition, body takes over
4. Stopwatch – this provides something for them to achieve, creates competition, all while working as fast as they can
5. Groundball Progression R @ 1B (keep DP in order, understand the angle, your arm strength, speed of runner)

1. Ball at you throw to 3B with long hop
2. Ball towards 3B, throw to 3B with long hop
3. Ball away from 3B, throw to 2B with long hop, keep double play in order
4. Ball bobbled, throw to 2B with long hop, keep double play in order
5. Wall ball, throw to double cut and don't be afraid to miss high

THROW A CATCHABLE BASEBALL

This starts in warmups. Practice with a purpose, incorporate movements/situations while warming up:

1. Groundball
2. Fly ball with swiveling hips
3. Spin move
4. Ball on ground
5. Off the wall

Hat Drill - place your hat (DO NOT leave sunglasses) about 10-12 yds in front of you. This provides a long hop for the infielders which makes it easy to handle and it gives us room for error (if we overthrow the hat it's still at the bag, if we aim for the bag, an over throw goes into the stands). This is done daily.

Any drill can be incorporated with throwing, just make sure they know the throwing is still a priority (their training will just take over without even thinking about it)

INDOOR/OUTDOOR TENNIS BALL DRILL

W drill- Four cones set up in the shape of a W. Must Catch every ball

Snake drill- 6 Cones in the shape of a Snake

In out communication Drill- two throwers- make players come in and go back and communicate

Out in Communication Drill

3-5-7 Ball

BE FEARLESS & HAVE FUN

Knee Diving - prefer diving over sliding as sliding changes eye level abruptly. If you have a pole vault mat or any form of padding that can be utilized, use it!

Hero Drill - (no diving in drills, fungo) wherever the ball is going to hit the ground try to get as close to that spot as possible, don't pull up

Fly Ball Sequence - this forces the group to stay engaged, communicate and have some fun

1. Facing AWAY from fungo hitter
 2. On the ground, facing fungo hitter
 3. On the ground, glove off, facing fungo hitter
 4. On the ground, glove off, facing AWAY from the fungo hitter
- Think DIFFERENTLY - think outside the box
 - Don't stay on the same drill for too long or you will lose their focus
 - Mix different drills or overall focus daily
 - Don't just hit popups for 30 minutes
 - HAVE FUN - create competition, let them play as though they are kids in the back yard playing stickball

State Coaches Poll 2018

(Please Read and Save)

Five times during the course of the season the voting coaches of the state coaches poll rank the teams in each of the four divisions and select an All-Ohio team. This is a recognition of OHSBCA members, their teams and their players. Numbers of voters for each district are selected based upon membership in our state organization.

The voting coaches are scattered throughout the state so that it is the responsibility of each school's coach to promote his team and its players by contacting these voters **before** the voting takes place. (See #7 below)

Guidelines

1. 32 coaches vote in each division.
2. Coaches must be a member of the OHSBCA to vote, be ranked, or nominate for All-Ohio.
3. Coaches are selected by their district representatives upon completing a voting application.
4. Any head coach who is interested in voting must complete an application and return it to the Poll Director or to his district representative. Applications are available on line at www.ohsbca.org. starting in May and ending in September each year.
5. The number of coaches voting in a district will vary, determined by the number of OHSBCA member coaches in their respective district and division.
6. Coaches selected to vote will be notified by their district reps and their names & emails, with hyperlinks will be published on the website. (www.ohsbca.org under Poll Teams/ Voters
7. The Poll will be conducted for **4 consecutive weeks**, ballots to be sent on **April 19, 26, May 4 and 11**. Voting begins at **Noon-Thursday, and ends Midnight -Saturday**
8. Poll results will be submitted to our website at www.ohsbca.org beginning April 21st.
9. Coaches selected to vote will receive information on the voting procedures during the last week in March. If you are listed as a voter and have not been contacted by the first week of April, email me so that we may correct the problem
10. A **fifth ballot, beginning May 17 and Ending Sunday, May 20** will be the All-State, Coaches Poll Team Ballot.
