OF

Ohio High School Baseball Coaches Association

Dear OHSBCA Members,

Welcome to the **72nd annual OHSBCA State Clinic, January 18th, 19th and 20th of 2024.** You are a member of the 2nd largest high school baseball coaches' association in the United States. Many high school coaches and college speakers have said that this is one of the best clinics in the nation. I am hoping that you are able to take something from this year's clinic and go back to your school to make the young men in your program better this coming year—and for years to come. The theme for the 2024 clinic is “The Road To Akron Starts Here” and it is my hope that all of you set your goals high and start preparing for your team to reach Canal Park.

With my involvement on this board for the past 5 years, I have seen the giant steps the association has made. The move to the Hilton Columbus at Easton last year is one example of how our Board continues to push our association forward and make the game of baseball in Ohio better. It is my honor to give back as Director of the 2024 State Clinic. If there is anything that any of our 27 board members or the Hilton personnel can do to make your experience more enjoyable, please let us know. Your board is committed to making this a most enjoyable and rewarding experience, and we represent you throughout the entire year.

We have the opportunity to recognize and honor four (4) of our own with their induction into our OHSBCA Hall of Fame this weekend. I truly hope that you take the opportunity to attend our banquet on Friday in the Easton Grand Ballroom to honor these four great men who have given so much to their schools, community and our association. The OHSBCA Board of Directors would like to congratulate these fine coaches on their accomplishments and years of dedication to their schools and communities.

The committee and myself take pride in putting together this great lineup of speakers for this year's clinic. We continue to learn and seek out information, and I feel that this year's speakers will truly help all of us grow our players and build a stronger program.

The list of speakers for this year include the following: **Bill Mosiello- The Ohio State University; Randy Mazey- West Virginia University; Jordan Bischel- University of Cincinnati; Trent Mongero- Elite Infield Academy; Steve Trimper- Stetson University; Steve Springer- Quality**

at Bats; Pat Murphy- University of Alabama; Aaron Hilt- Central Michigan University; Tim Mead- Walsh University; Tom Marker- Olentangy Orange High School; Chris Valentine- Prep Baseball Report; Brian Harrison- Baldwin Wallace University; Andrew See- The Ohio State University; Mike Grady- Grady's Pitching School; Jake Krupar- Muskingum College; Matt Palm- University of Findlay; Jayson King- University of Dayton; Jim Chester- Gardner Webb; Ryan Chipka- New York Yankees; Brett DeGagne- New York Yankees; Bill Gamble- Massillon Jackson High School; Sean Allen- The Ohio State University; George Powell- Otterbein University; and Buck Taylor- The Ohio State University.

MIKE VALESKO

I would like to take this opportunity to recognize the entire OHSBCA Board of Directors for their dedication and hard work to this organization. My sincere gratitude goes to the gentlemen who have been on the Executive Board with me the past few years: Gene Bumgardner, Craig Kyle, John Bakalar, Dave Hall, Brian Hiscox, Dave Barrow, Scott Manahan, Dave Burkett, Frank Gamble and a special thanks to Ray Benjamin, Jeff Mielcarek and Drew Kirby for guiding me through the process of hosting a clinic. Additional recognition and appreciation goes out to all of my current and former players and assistant coaches; my head coach and mentor, Michael Saffell; my two children, Maddox and Khloe; and finally, my amazing wife, Jessi, for always being so supportive of my coaching life.

OHSBCA President Gene Bumgardner, Unioto High School

Welcome to the **72nd annual OHSBCA State Clinic**, January 18th, 19th and 20th of 2024. You are a member of the 2nd largest High School coaches association in the United States. We are blessed to attend the best high school baseball clinic in the nation. It is my hope that you enjoy the weekend as we celebrate our history and look forward to our future. This year's committee has worked hard to continue the smooth transition to the Hilton at Easton. We hope that you are able to use this opportunity to strengthen relationships and learn from some of the best minds in Baseball.

In my many years of involvement in the association, I have witnessed many great things the Board has done to promote and push Ohio High School Baseball forward. We are blessed to have such a hardworking group of men and I am honored to play such a small role. If there is anything any one of the 27 members or the Hilton staff can do to make your experience enjoyable, please let us know. We want to ensure we are doing everything to make your stay enjoyable.

We have the opportunity to celebrate our Past by honoring 4 great coaches as we induct them into our Hall of Fame. I sincerely hope you take the opportunity to help us congratulate and celebrate their great achievements. Our 2024 Hall of Fame class is

- Sean Durkin - Ursuline High School**
- Mark Pelfrey - Springboro High School**
- Mike Shade - Gahanna Lincoln High School**
- Chris Veidt - Whiteoak High School**

The OHSBCA Board of Directors would like to congratulate these fine coaches on their accomplishments and years of dedication to the game of baseball.

The committee and myself take great pride in putting together this great lineup of speakers for this year's clinic. It is our hope that this lineup enables you to take some

quality information and experiences to share with the great young men you have in your programs. It is our hope that with this knowledge we continue to grow as coaches and lead the great game of baseball. We are very excited with our clinic speakers and agenda once again this year.

GENE BUMGARDNER

In closing, I would like to recognize the OHSBCA Board of Director and District reps for their dedication and hard work to this organization. Without their hard work and dedication this clinic would not be the best in the country. I would also like to take the opportunity to thank the Executive Board who has served with me over the past years, **John Bakalar, Drew Kirby, Michael Valesko, Dave Hall, Dave Burkett, Dave Barrow, Scott Manahan, Frank Gamble, Craig Kyle and Curt Karpinski** (retired). And a special thanks to **Jeff Mielcreek and Ray Benjamin** who without their guidance and help I could not have personally accomplished this feat. I would like to thank the Southeast District Association Board: **Jeff Noble, John Combs, Brian Bigam and Rob Meade** your dedication to the SE district does not go unnoticed.

I want to thank my children **Kristin, Andrew, and Austin** who have supported my love for the game of baseball. But most importantly, I want to thank my late wife **Robin**, whose unwavering support allowed me to pursue my love of this game. For this I am eternally grateful.

Ground Rules

for Attendees at the Annual OHSBCA Convention

All coaches must wear their OHSBCA badges into the clinic speaking rooms and into the exhibit halls — no exceptions! Please cooperate with the clinic committee members who are in charge of checking OHSBCA badges!

- *No videotaping or picture taking* of any of the speakers is permitted.
- Please *turn off all cell* phones.
- Please *enter and exit the speaking room as quickly as possible*, so we can get the next presentation started on time. Please do not congregate in the back of the room or in the doorway-it is difficult to hear when hundreds of coaches are visiting!

- New for this year: All speakers will be escorted to a Q and A area immediately after their talk. **Please go to the announced area instead of coming up to the stage.**

The OHSBCA asks that all coaches respect these clinic rules. We want the convention to be a good experience for everyone, and we ask for your cooperation with these rules as you ask your own players to respect your own team rules!

Enjoy our Annual Convention!

Quality At Bats, “The Mental Side” | Steve Springer

Toronto Blue Jays

Thursday, January 18, 2024 • 4:55 pm - 5:35 pm • Easton Grand Ballroom

A Message from Steve Springer

I didn't start in high school. Got cut in college. Played in the Big Leagues. Here's the thing: No one knows how far you're going to get in this game except God and that's it.

STEVE SPRINGER

With over 30+ years in professional ball, I've learned a thing or two about what makes hitters underachieve and what makes hitters become great competitors. Here's my advice: Learn the mental side of hitting.

Here's What Will Be Covered In Detail

Experience the unforgettable headline presentation from Steve Springer, one of the baseball world's best peak performance speakers, as he dives deep into the biggest question in baseball and softball: “How do we compete with MORE confidence?”

Springer will also dive deep into:

- How to change what a player thinks success is
- How to motivate, provide guidance, and give constructive criticism without being overbearing (for parents and coaches)
- What an “Opening Day” mindset is and how to apply it to every game
- The BIGGEST mistakes parents make when coaching their kids
- How to strike out less and be a better competitor
- How to be a tough out every single at-bat
- How to have an attainable goal in the batter's box
- And much, much, MUCH more!

“**How to Compete with Confidence**” will go in-depth on the teachings that landed Steve Springer the “Mental Skills Coach” position with the Toronto Blue Jays during their historic playoff run. So good!

Join Steve Springer, world-stage motivator, professional scout, and MLB Mental Skills Coach as he shares everything his MLB All-Stars do (and don't do) to bring their best competitor to the field everyday!

OHSBCA 2024 Phoenix Bat Assistant Coach of The Year Awards

NORTHWEST DISTRICT:

Tyler Pope • Buckeye Central High School

Tyler Pope will begin his 18th season as assistant coach at Buckeye Central this spring, all as a member of the OHSBCA. During his tenure on the Buckeye Central staff, the Bucks have had four 20 win seasons, won eight sectional championships, three district championships, and one league title. BC has advanced to at least the sectional championship game every year but one since Tyler became an assistant in 2007. Besides being a tremendous coach, Tyler is also instrumental in field maintenance throughout the regular season and off season. Tyler's passion for baseball and desire to make BC's program better goes beyond the field and this is what makes him special. This is the second time Tyler has been chosen to receive this honor, as he was chosen as the Northwest District Assistant Coach of the Year in 2015. Tyler teaches Agricultural Education at Buckeye Central and maintains one of the most respected FFA chapters in Ohio

Frank Lamoreaux • Seneca East High School

Frank Lamoreaux has been an assistant coach at Seneca East HS since retiring as the head coach after 30 years in 2015. Frank has been an invaluable member of our staff. His baseball knowledge is vast, his relationship with our players is vital, his enthusiasm for the game is sky-high, and his love of coaching is second to none. Frank is willing to be a bench coach, base coach, pitching coach, JV coach, or whatever kind of coach the program needs. He has no problem being the varsity first base coach one game and then helping coach the JV the next day. Frank has touched the lives of the hundreds of baseball players he has coached and all of the coaches he has mentored and coached with. Seneca East Baseball is extremely lucky to have Coach Lamoreaux on its staff!

EAST DISTRICT

Colton Newell • Carrollton High School

Colton Newell is a 2008 Carrollton High School graduate where he played baseball for four years. Coach Newell continued his baseball career at Muskingum College graduating in 2012. Hired in 2019, now entering his 6th season as Varsity Assistant for the Warriors, Coach Newell resides in Carrollton with his wife and children where he owns the gym "All In Training". Coach Newell started an annual alumni game every May for the Warrior program. This Alumni game has created dozens and dozens of Warrior Alumni playing and donating funds for the baseball program. The game has created a fun and exciting way for former players and donors to be involved in the success of our Carrollton Baseball Program. Coach Newell has also organized a youth baseball clinic for the surrounding community. This is held in the Warrior Athletic Field house during the January/February months and teaches, pitching, hitting, catching, fielding, bunting and base running. Besides being an invaluable asset to the Warrior Baseball Program, Coach Newell is a proud community and family member who spends countless hours coaching, teaching and guiding our youth in our great town of Carrollton, Ohio.

Richie Mast • Hiland High School

Coach Mast has been an assistant coach at Hiland for the past 7

years. Before joining the coaching staff, he was a player at Hiland and a senior on the 2012 team that appeared at state. He came back to Hiland after a very successful four years of playing baseball at Malone University. During the offseason Richie designs and oversees our weight training program. In season Coach Mast serves as the hitting coach and works with the infielders, as well as coaching first base. Richie's high energy, passion and knowledge of the game are on display at every practice and game. He regularly spends time outside of practice with players wanting to get in extra work, coming in early or staying late to help players reach their full potential. He simultaneously works to build competitive baseball players and future leaders in our community. His contributions to the success of Hiland Baseball are immeasurable and greatly appreciated by his colleagues and his players.

CENTRAL DISTRICT

Rick Jacobs • St. Francis DeSales High School

Coach Rick Jacobs has been a part of the St. Francis DeSales Baseball Program for over a decade. Rick began coaching at DeSales with 2020 Hall of Fame Inductee, Tom Neubert in 2012. That same year, Rick helped lead the Stallions to their second State Title in as many years. Rick's coaching career began with youth baseball in 1996. After three seasons of youth baseball, Rick decided to also coach football. Rick then spent the next 14 years coaching football in Johnstown at the Middle and High School level. Once football season came to an end, Rick jumped right back into coaching baseball. Coaching has always been an important part of Rick's life, but became even more meaningful when he began coaching his son, Cole. Rick coached Cole through middle school baseball at St. Paul, years of Summer ball, then would go on to coach Cole through his high school years at DeSales. In 2019, Cole returned to the DeSales Baseball program to coach alongside Rick at the Varsity level. To say that Rick has been a vital part of the DeSales Baseball Program would be an understatement. Rick is the Stallions first base coach, works directly with the catchers and makes in game decisions for the defense. He has made a significant impact on the lives of many young men both on and off the field.

Max Benjamin • Whitehall HS

Max Benjamin is going into his third year as a varsity assistant coach at Whitehall Yearling High School. Max spent 2 years at Reynoldsburg High School as a Freshman and JV coach before making the move over to Whitehall to become a varsity assistant coach and hitting coach as well as being First base coach. He has done a fantastic job at building relationships with the players and has been a huge part on the rebuild of the whole program at Whitehall-Yearling. We are so privileged to have a great person and coach on staff such as Max and excited to see what he does next with his coaching career.

SOUTHWEST DISTRICT

Chris Booth • Archbishop Moeller HS

Chris Booth has been an instrumental part of the Moeller baseball program since he joined the Crusaders staff 3 years ago. In that time, the varsity has gone 81-16 capturing 3 sectional championships, 2 district championships, 1 regional championship, 2 state poll

OHSBCA 2024 Phoenix Bat Assistant Coach of The Year Awards | Continued

championships and the 2023 state championship and a #5 national ranking. Prior to coming to Moeller, Chris served five years as pitching coach & recruiting coordinator at the NCAA DI, DII & DIII levels with stops at Thomas More University, University of Charleston and the Virginia Military Institute where he was named the VMI Athletic Department "Assistant Coach of The Year". After moving back to Cincinnati, Chris has coached at the high school varsity level at Newport Central Catholic (KY), La Salle, Loveland & Lakota West High School.

Heath Murray • Troy HS

Heath Murray is entering his eighteenth year as an assistant coach at Troy High School. Not only has Heath coached at Troy, he is a 1991 graduate of THS. After a college career pitching at the University of Michigan, Heath spent several years pitching professionally. He had multiple stints in the Major Leagues for the Padres, Indians, and Tigers. Although it is obvious that his experience and knowledge of pitching has made him one of the best high school pitching coaches in Ohio, his passion for Troy High School Baseball has been equally as valuable. Heath maintains a positive relationship with the players, in a direct, honest and caring manner. In a time when some question the toughness of kids, Heath challenges the young men by holding them accountable and to high expectations. In his tenure as the THS pitching coach, Heath has helped several players go on to pitch at every level of college baseball. Our program would not be what it is today without the contributions of Heath!

SOUTHEAST DISTRICT

Duston Richards • Hillsboro HS

Duston Richards works tirelessly year round, not just during the season, not only at our off-season workouts but also at all of our fundraising events and off-season coaching duties. He has been a member of the state coaches association since 2014 and has been my varsity assistant coach since 2015. Duston is extremely knowledgeable with respect to the game of baseball and is also an awesome coach. He relates well to the kids and I have always been able to trust him to take half of our guys and basically run his own practice. I can't tell you how much of a help it is to be able to send an entire group of guys with him and know they are getting top notch instruction. This has allowed me to focus my coaching on individual position groups day to day. Beyond the fundamentals, he is an excellent role model for our guys, his character and commitment are unquestionable. He has even decided to stay on as an assistant coach even though I have resigned to take care of my infant son. That is how much these kids mean to him. In my mind, there is no better coach I would rather have in my dugout as an assistant.

Larry Burke • Marietta High School

Larry Burke Jr. has been on my coaching staff for the past 6 years. He was my Head JV coach for 3 years and has been my Varsity Assistant Coach for the past 3 years. Larry has always gone above and beyond his normal duties as a coach but the past 3 years as my assistant he has always made sure our players got extra reps fielding and hitting after practice if they wanted it. He's always going to our feeder program's games to make sure our presence was seen there watching as well as scouting for players that will be coming to us in the future. He relates to the kids and makes them feel needed while

at the same time getting the most out of their effort by having high expectations. Regardless of our record the past couple of years, Larry Burke Jr. has been an amazing assistant that helps me in every aspect of coaching and mentoring. He will be the next coach at Marietta High School when I'm done.

NORTHEAST DISTRICT

John Bakalar • Chagrin Falls

John did a tremendous job with our pitching staff this past year. We improved our winning percentage and lowered our team ERA despite not returning many innings and pitchers back from the 2022 Regional Qualifiers, he has done amazing work. He is extremely patient and knowledgeable. Not only does he offer great insight from a baseball perspective, he is organized and always prepared. He has been a great addition to our staff. He also helps me with a lot of the social media and technology stuff. Most importantly, he cares about the kids and wants to see them excel.

Ron Westren • Ellet High School

Ron Westren played youth baseball and two years at Akron Ellet High School, but at that point kind of figured that baseball wasn't going to be a very key factor in his future. Westren could not have more wrong. Westren got back into the game he didn't totally embrace as a teen 15 years later and now figures he will never let go. My career really didn't begin until I started playing Roy Hobbs with Akron A's in 1993, Westren said. In fact, I probably would not have got back into playing baseball if I wasn't in coaching. I just got back into playing to be a better coach. I figured if I got around guys who really knew the game I would have a great chance to learn something. Westren quickly found out that he was learning something every day he got on the ball field. He started as a lanky shortstop with the A's and helped lead them to Roy Hobbs 30-plus and Open Division championships from 1995 through 2000. He later transitioned to second base when the A's added former minor-leaguer Rick Rembielek and then made another shift to third base and finally to catcher. The versatile Westren helped lead the A's to Roy Hobbs 30-plus World Series championships in Florida in 1998 and 1999. I really enjoyed being a utility player, said Westren, who has spent the last 40 years working in information technologies as a software developer for companies in Akron and Cuyahoga Falls. Playing with guys like Greg Beals, Rick Rembielek, two head coaches in college, and longtime catcher George Spiroff, really gave me an opportunity to learn high-level skills and then pass those skills along to the high school players I coach. It was like getting an MBA in baseball. Westren was inducted into the Greater Akron Hall of Fame in 2015, and recently completed his 24th season as a varsity assistant to John Sarver at Akron Ellet High School, where the Orangemen won 18 regular season championships and 16 championship Play-offs. Westren still plays in Canton MSBL, Northeastern Ohio Roy Hobbs and Greater Cleveland Adult Baseball Leagues.

OHSBCA 2024 State Coaches Poll Guidelines

During the course of the season the voting coaches of the State Coaches poll rank the top 20 teams in each of the four divisions and select an All-Ohio team. This is a recognition of OHSBCA members, their teams and their players. Numbers of voters for each district are selected based upon membership in our state organization.

The voting coaches are scattered throughout the state so that it is the responsibility of each school's coach to promote his team and its players by contacting these voters **before** the voting takes place.

1. 34 coaches vote in each division for the top 10 Teams.
2. The 1st Place team receives 10 points, 2nd Place receives 9 points, 3rd Place receives 8 points and so on with 10th place earning 1 point.
3. Poll Results will display the Top 20 Teams in each respective division and list any schools that received votes but did not make Top 20.
4. Coaches must be a member of the OHSBCA in order to vote, be ranked, or nominate for All-Ohio.
5. Coaches are selected by their District Representatives upon completion of the application.
6. Any head coach who is interested in voting must complete an online application. Applications are available online at www.ohsbca.org starting June 1 and ending in September 30th each year. Current Voters must re-apply each season.
7. The number of coaches voting in a district will vary, determined by the number of coaches in their respective district. (Determined by member schools per District/ Division)
8. Coaches selected to vote will be notified by their District Reps and their names /emails will be put on the website.
9. Coaches who are eligible to vote will receive information on the voting procedure starting in late February.
10. Coaches who miss two votes will be replaced and are ineligible to be a Poll Voter the following season.
11. If your team deserves recognition, or if you have a player who should be considered All-State, be sure that the voters have the needed information before the start of the balloting by emailing them and updating team record in the weekly Google Sheet.
12. The State Coaches Poll will be conducted for **10 consecutive weeks**. Ballots will be emailed to eligible poll voters and recorded between Thursday and Sunday of the indicated weeks. Results will be online on our website the following Monday.
13. Electronic ballots to be sent to voters via email on **March 14, 21, 28, April 4, 11, 18, 25, May 2, 9, 16 and 23rd**. Voting begins at **Noon on Friday and ends 11:59PM on Sunday**.
14. The Final Ballot 10th Ballot for All-Ohio will be sent **beginning at Thursday, May 24th and Ending Midnight Sunday, May 28th** will be the All-State, Coaches Poll Team Ballot. Results released when verified by District Reps and then posted on website prior to State Tournament.

2023 Season Highlights

The 2023 season was a dream season for the Crusaders! The team started the year with high expectations as it had a number of college commitments. After an opening day combined no-hitter the team started week 1 4-0 and was on its way to Las Vegas for a spring break trip. We started the tournament by losing the first two games by a combined 3 runs and rebounded to win the last two scoring 20 runs. The adversity of our travel and not playing well in those early games helped our team in the long run. We

rebounded and won 27 of our final 28 games which included win streaks of 10 and 17 games, respectively. We captured the GCL title with an 8-1 record; the city coaches poll, the OHSBCA coaches poll and finished #5 nationally after our state championship.

A number of individual records were set—none more impressive than GCL, City & PBR player of the year Toby Hueber setting the Moeller single season (32) and career (72) stolen base record and also becoming Moeller's all time winning pitcher with 25 career wins.

The pitching staff put up outstanding numbers setting 15 year bests in ERA (1.53), WHIP (1.04), BAA (.190), hits/game (4.41) and runs/game (1.94).

All of this would not be possible without outstanding assistant coaches. Varsity assistants Chris Booth, Dave Cydrus, Jeff Keith, Kevin Manley and Ian Bach; JV coaches Rick Blyberg, Chuck Wene and Ryan Ziels; freshmen coaches Ron Roth, Eric Schmitt and Todd Burwinkel. The continued success of the program would not be possible without their hard work and sacrifices.

Division II Head Coach

Joseph Hritz, Kenston High School

Career Coaching Experience: 5 years total - 1 year Head Coach (St. John - Ashtabula), 1 year Freshman Coach (Mentor), 1 year Assistant Coach (Kenston), 2 years Head Coach (Kenston)
Number of years at school: 2 years

2023 Record: 21-13

Record at Current School: 39-22

Program Accomplishments: D2 State Championship (2023), D1 Final Four (2022), Regional Championships (2022 - D1, 2023 - D2), District Championships (D2 - 2002, 2004, 2023) (D1 - 2022)

2023 Season Highlights

After a heartbreaking ending to our 2022 season, which ended in a loss in the D1 State Semifinal to eventual champion Sylvania Northview, the team came back with a drive and a purpose to return to the 2023 State Championship round. We struggled early in the season finding our rhythm but also played some of the best competition that the State of Ohio has to offer. This tough schedule helped us to gain resiliency and really reflect on what we needed to do to be successful and reach our goals. We entered the tournament as the #9 seed in our district. We knew that in order to make it out we would have to buy in and compete every moment along the way. This underdog mentality helped us fly under the radar a little bit and we were able to focus on our game.

The senior leadership was outstanding from our six seniors (Nikko Georgiou, Carter Flynn, Parker Munday, Sam Koltas, Jack

Morey, and Drew McKenna). They set the tone and created an atmosphere that allowed our team to thrive, execute, and compete. With their help and the guidance of our coaching staff (Tyler Rendlesham, Ryan Kitay, Anthony Zavarella, and Rich Schaedler) we were able to navigate our way through the trials and tribulations that the OHSAA baseball state tournament presents.

This included, several games that were won by 2 runs or less (District Final vs Norway 5-4, Regional Semi vs Gilmour 4-2, Regional Final vs NDCL 4-2, State Semi vs Chaminade-Julienne 4-2, and finally capped with a 4-3 Win vs Ontario in the State Final). None of this success would have been possible without our fantastic baseball families as they also stepped up to the plate to help coordinate fundraising and volunteer efforts which enabled us to make improvements to the program overall in terms of new equipment, technology, dugout upgrades, and field improvements. Thank you to all of our team parents, administrators, the Kenston community and coaches for making sure the little things get taken care of on a daily basis to help our program continue to grow and thrive. Our team fed off of this energy and turned it into the first ever State Baseball Championship in Kenston's history. It is an honor and pleasure to be the head coach of this program!

2023 Season Highlights

The 2023 Waynedale baseball team had high expectations to live up to after winning the Division III State Championship in 2022. We had some returning varsity starters from the championship team, including our starting pitchers. Heading into the postseason tournament, the team had a record of 14-9. Six of those losses were by 1 run. Although the win-loss record was not what we wanted, we knew that we were close to putting the pieces together. Four of our seniors were starters on the 2022 championship team, and they knew what was required to make a run in the tournament. These players did a great job leading the team

through some challenging parts of the season. We play in a tough Wayne County Athletic League, and we won a share of the league championship. Our regular season schedule included quality division 1 and 2 opponents which helped prepare us for the postseason. In the postseason, our bats came alive and we averaged 8 runs scored per game.

However, in the District Semifinals our season was on the line as we trailed Beachwood 1-3 in the bottom of the 7th inning. Trailing by multiple runs, we knew that we just needed base runners to have a chance to win. We were able to draw a couple of walks and hit a single to get runners on, then Senior Trey Barkman hit a walkoff double to keep our season alive. Following that game, we seemed to relax and play our best baseball.

The 2022 and 2023 State Championships are the only baseball state titles in Waynedale school history. Waynedale has a great community that supports our program, and I am lucky to have a group of committed and dedicated assistant coaches.

Program Accomplishments: 23 Inter Valley Conference Championships, 31 Sectional Championships, 13 District Championships, 6 Regional Championships (2000, 2008, 2012, 2016, 2017, 2023), 3 State Runner-up (2000, 2008, 2017), 2 State Championship (2016, 2023)

2023 Season Highlights

We entered the 2023 season with an experienced group of seniors that played significant roles in our 2021 and 2022 regional teams. Defensively they anchored the middle of the field for us at catcher, shortstop, second base and center field. The seniors also represented our top three pitchers throughout the tournament run. The senior leadership shown from Nolan Yoder (DIV POY), Isaak Yoder, Alec Weaver, Braden Kaufman and Will Schlabach drove this team throughout the season. They worked hard to create a true team

atmosphere where everyone felt valued and was seen as an important part of our success and I cannot thank them enough.

We played a very challenging schedule in 2023, our schedule was packed with quality programs from bigger divisions. Three of our regular season opponents ended up playing in the division 3 state final four, Waynedale, Ottawa Hills and Harrison Central. The difficult regular season schedule is meant to prepare the team for the state tournament and things certainly didn't get any easier there. Through our district and region, we have to face 3 state ranked opponents in Toronto (6), South Webster (18) and Whiteoak (2). In the state semi game, it took extra innings to defeat a very good Calvert (3) team. And then we had the task of playing another high caliber program and the previous year's state champions Russia (5).

Hiland is extremely fortunate to have an outstanding staff of assistant coaches that helped to lead our 2023 season. Varsity assistants Richie Mast, Kendall Schlabach, Brad Schlabach, Jordan Yoder and Tyler Gray; along with JV/Freshman coaches Kevin Schrock and Casey Lowe. Their time and effort are an important part of what makes Hiland a championship program.
